8. Indemnity. Except as otherwise provided in Section 24, Applicant agrees to defend and indemnify the Corporation and its officers, directors, employees, and agents (each an "Indemnified Party") and hold them harmless from and against any and all damages, judgments, costs, including without limitation reasonable attorneys’ fees, claims and liabilities that an Indemnified Party may sustain as a result of (i) the material breach by Applicant of the provisions of this Agreement, or (ii) Applicant’s failure to materially comply with the Governance Documents, such breach in subsection (i) or non-compliance in subsection (ii) to be determined by a court of competent jurisdiction.

14. Complete Agreement; No Waiver. This Agreement sets forth the entire understanding of the Corporation and the Applicant and supersedes all prior agreements and understandings relating hereto, unless otherwise stated in this Agreement. The waiver of any breach or default will not constitute a waiver of any other right hereunder or any subsequent breach or default.

15. Amendment. This Agreement may be amended by the Board of Directors in accordance with the Bylaws. Notice shall be provided to Applicant at least thirty (30) days before any such amendment takes effect and the terms of the amended Agreement will be effective with respect to Applicant unless Applicant provides its Notice of withdraw within thirty (30) days of the Notice of amendment.

16. No Rule of Strict Construction. Regardless of which party drafted this Agreement, no rule of strict construction shall be applied against the Corporation or Applicant. 17. **No Third Party Beneficiaries.** This Agreement is entered into for the benefit of Applicant and the Corporation and not for the benefit of any third party. Similarly, Applicant agrees that it will not assert rights under any agreement between the Corporation and any other Member unless such agreement provides by its express terms that Applicant is an intended beneficiary of that agreement. Notwithstanding any contrary provision in this Section 17 or any other provision in this Agreement, the Applicant hereby acknowledges and agrees that each Member of the Corporation has a right under this Agreement, independent of any similar rights of the Corporation, to enforce against the Applicant those provisions of the IPR Policy requiring the Applicant to grant "Royalty Free Licenses" to Members of the Corporation and their Affiliates, such right to include, but not be limited to, instituting a legal cause of action against the Applicant to compel such enforcement.

18. **Compliance with Laws.** Notwithstanding anything contained in this Agreement to the contrary, the obligations of the Corporation and the Applicant shall be subject to all laws, present and future, of any government having jurisdiction over the Corporation and the Applicant, and to orders, regulations, directions or requests of any such government. It is the intention of the Corporation and the Applicant that this Agreement and all Governance Documents shall comply with all applicable laws and regulations.

22. **Independent Contractors.** The relationship of the Corporation and the Applicant established by this Agreement is that of independent contractors. This Agreement does not give the Corporation or the Applicant the power to direct and control the day-to-day activities of another, constitute the Corporation, the Applicant, or any Member of the Corporation as partners, joint venturers, co-owners, principal agent, or otherwise participants in a joint or common undertaking, or allow the Corporation or the Applicant to create or assume any obligation on behalf of another for any purpose whatsoever.

23. **Import and Export Controls.** The Corporation and Applicant shall comply with all applicable laws, including export, re-export and foreign policy controls and restrictions that may be imposed by any government in connection with the Corporation’s and Applicant’s respective performance under this Agreement.

24. **No Adverse Action.** Member agrees on behalf of itself, and its Affiliates, that neither the Member nor its Affiliates will implement or use any Deliverable, or hire or license a third party to implement or use a Deliverable, for the primary purpose of destroying the functionality of a Deliverable. In the event that Member breaches this Agreement, the Corporation’s remedies, in addition to any other rights of the Corporation under the Bylaws, are limited to seeking specific performance or injunctive relief without the posting a bond. Except as otherwise expressly stated in any of the Governance Documents, no Member is precluded from developing, using, promoting, testing or implementing any other standard, technology or process for merchant-based substantiation of claims that implements the requirements for an IAS, as defined in the IPR Policy.
